Please don't! These are the numbers for the leaders. I know the codes change each day. I will resolve within the invite. We have sent out so many mixed messages (not at all your fault) over the course of this effort. I'll manage and cc you ok?

Hi. I believe this is an old code. I'll forward the codes for this weekend. They change everyday. Also speakers do not use this number. Calls are now operator assisted. C
